Dear Dr. Pangratis:

We are taking the liberty of contacting you to invite you to be our keynote speaker during a luncheon hosted at the 40th annual meeting of the U.S. Association of Former Members of Congress. Our membership, comprised entirely of former Senators and Representatives, would be honored for you to share your thoughts on the important relationship between Europe and the United States.

The luncheon will be held on Tuesday, June 15, 2010, from 11:45 a.m. until 1:00 p.m. Our reunion will bring several dozen former Members of Congress to Washington, D.C. and we have reserved the Capitol Hill Club on 300 1st Street, SE for the gathering. Europe and the EU-US relationship are of crucial importance to numerous issues facing the world, and we therefore believe your remarks will generate a fascinating discussion with our members.

We hope your schedule still is open for lunch on June 15th. It would be a great honor to welcome you as our guest. Our Executive Director, Peter Weichlein, will follow up with your staff in the very near future. He can be reached at 202-507-4850 should you have any questions.

The Hon. John J. Rhodes, III
Association President
